### General Computer Information

You are expected to be familiar with computers and the Internet. We strongly recommend a high speed Internet connection, such as DSL or cable. Some courses with audio, video or graphical components may not load properly if you are using a slower Internet connection. If you do not have high speed Internet at home we recommend accessing public computers at public libraries, WorkSource Oregon centers or an Internet café. These locations commonly provide public access to high speed Internet. If you live in a remote location that prohibits you from accessing high speed Internet, please contact your instructor for available options. A technical orientation and information regarding minimum requirements for your computer, browser, and software needs is available at: <http://http://online.chemeketa.edu/startguide/>

You are responsible for your own software and equipment maintenance and setup. Some classes have required labs on campus. Confirm which online courses have labs/recitations on campus versus labs done at home or 100% online.

For general questions send e-mail to: [online@chemeketa.edu](mailto:online@chemeketa.edu), Monday-Friday, 8-5 Pacific Time or call 503.399.7873.

Technical Support is available 24/7 by calling 503.399.7399, option 1.

### No-Show/Drop

To better serve our students, Chemeketa Community College has a No-Show Drop policy based on class attendance during the first week of the term.

### What does Chemeketa's No-Show Drop policy mean for online students?

- You must participate in your online classes by Wednesday of the first week of the term or the college may drop you from the class.
- Online and face-to-face classes begin on the same day.

### What if you cannot participate in your online class by Wednesday of the first week?

If you cannot participate in your online class before this time, you **must** contact your instructor. If you do not contact your instructor, you may be dropped.

### How will you know if you have been dropped?

If you are dropped, you will be notified through your Chemeketa e-mail account.

**Note:** Being dropped from a class may affect your eligibility for tuition assistance if you are a veteran, receive financial aid, or are sponsored by an agency.

### Tuition & Fees

Detailed information about tuition/fees can be found at: [www.chemeketa.edu/earncertdegree/tuition/](http://www.chemeketa.edu/earncertdegree/tuition/)

All online courses have a \$50 fee. Some sections may have additional course fees. Some classes have fees for materials or lab use. All fees for a class will appear totaled together in the 'Tui + Fee' column of the schedule. Tuition and fees are due when you register. If payment is not received within 10 business days of registration, you will be assessed a \$25 late fee.

To see multiple payment options go to: [www.chemeketa.edu/earncertdegree/tuition/paying/](http://www.chemeketa.edu/earncertdegree/tuition/paying/)

Another option is using ProctorU. This also has to be arranged with the instructor at least one month before the exam (or see course syllabus). A cost is associated with this service.
