Less than Full Term Courses: These classes have a shorter refund period. Review the specific course drop deadlines online in the searchable class schedule.

**Career and Academic Advising**

The Chemeketa Counseling and Advising Center is available to provide career and academic advising to Chemeketa Online students. You can email Counseling and Advising at advising@chemeketa.edu or call them at 503.399.5120.

For new student advising email: newstudentadvisor@chemeketa.edu

**Do you need to buy textbooks?**

Most online classes require textbooks and some may require additional materials as well. All books and materials are available online, and some classes may have required lab fees.

**General Computer Information**

You are expected to be familiar with computers and the Internet. We strongly recommend a high speed Internet connection, such as DSL or cable. Some courses with audio, video or graphical components may not load properly if you are using a slower Internet connection.

If you do not have high speed Internet at home we recommend accessing public computers at public libraries, WorkSource Oregon centers or an Internet café. These locations commonly provide public access to high speed Internet. If you live in a remote location that prohibits you from accessing high speed Internet, please contact your instructor for available options. A technical orientation and information regarding minimum requirements for your computer, browser, and software needs is available at: http://online.chemeketa.edu/orientation/

You are responsible for your own software and equipment maintenance and setup.

Some classes have required labs on campus. Confirm which online courses have labs/recitations on campus versus labs done at home or 100% online.

For general questions send email to: online@chemeketa.edu M-Fri, 8-5 Pacific Time or call 503.399.7873.

Technical Support is available 24/7 by calling 503.399.7399, option 1.

**No-Show/Drop**

To better serve our students, Chemeketa Community College has a No-Show Drop policy based on class attendance during the first week of the term.

**What does Chemeketa’s No-Show Drop policy mean for online students?**

- You must participate in your online classes by Wednesday of the first week of the term, or the college may drop you from the class.
- Online and face-to-face classes begin on the same day.

**What if you cannot participate in your online class by Wednesday of the first week?**

If you cannot participate in your online class before this time, you **must** contact your instructor. If you do not contact your instructor, you may be dropped.

**How will you know if you have been dropped?**

If you are dropped, you will be notified through your Chemeketa email account.

**Note:** Being dropped from a class may affect your eligibility for tuition assistance if you are a veteran, receive financial aid, or are sponsored by an agency.
materials are available from the Chemeketa Bookstore on the Salem campus. Students may order by telephone using a credit card. You may also order books online at http://bookstore.chemeketa.edu

For information or to order by phone call 503.399.5131.

Students will need a desktop or laptop computer (no iPads, iPhones, tablets, etc.) with a Webcam, speakers, and a microphone.
