General Computer Information
You are expected to be familiar with computers and the Internet. We
strongly recommend a high-speed Internet connection, such as DSL or
cable. Some courses with audio, video or graphical components may
not load properly if you are using a slower Internet connection. If you
do not have high-speed Internet at home we recommend accessing
public computers at public libraries, WorkSource Oregon centers or
an Internet café. These locations commonly provide public access to
high-speed Internet. If you live in a remote location that prohibits you
from accessing high-speed Internet, please contact your instructor for
available options. A technical orientation and information regarding
minimum requirements for your computer, browser, and software needs
is available at: http://online.chemeketa.edu/orientation/

You are responsible for your own software and equipment maintenance
and setup. Some classes have required labs on campus. Confirm which
online courses have labs/recitations on campus versus labs done at
home or 100% online.

For general questions send e-mail to:
newstudentadvisor@chemeketa.edu or call them at 503.399.5120. For new student advising e-mail:

Technical Support is available 24/7 by calling 503.399.7399, option 1.

No-Show/Drop
To better serve our students, Chemeketa Community College has a No-Show Drop policy based on class attendance during the first week of
the term.

What does Chemeketa’s No-Show Drop policy mean for online
students?
• You must participate in your online classes by Wednesday of the first
  week of the term or the college may drop you from the class.
• Online and face-to-face classes begin on the same day.

What if you cannot participate in your online class by Wednesday of
the first week?
If you cannot participate in your online class before this time, you must
contact your instructor. If you do not contact your instructor, you may be
dropped.

How will you know if you have been dropped?
If you are dropped, you will be notified through your Chemeketa
e-mail account.

Note: Being dropped from a class may affect your eligibility for tuition
assistance if you are a veteran, receive financial aid, or are sponsored by
an agency.
